S I R :

Submitted herewith are the following:

- (1) A copy of the International Search Report for PCT/JP03/11972;
- (2) A copy of each of the publications cited in said International Search Report for PCT/JP03/11972; and
- (3) Form PTO/SB/08B.

Each of the cited publications is considered relevant or material to the patentability of the present invention in view of the citation thereof in said International Search Report.

10/549389

Appl. No. (based on PCT/JP03/11972)  
Information Disc1. Statement dated September 14, 2005

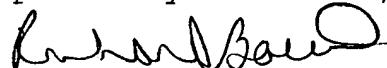

102 106P01P0 14 SEP 2005

Said International Search Report is in English, thereby satisfying the requirements for a concise explanation of relevance for each cited publication.

The Davidson et al. and Yamao et al. publications cited in the enclosed International Search Report ar also discussed on page 2 of the present specification.

It is respectfully requested that the Examiner return a copy of the enclosed Form PTO/SB/08B with the Examiner's initials in the left column to indicate that the attached publications have been considered and made "of record."

Respectfully submitted,

RICHARD S. BARTH
